**National Task Force**On Mental Health of Students and Prevention of Suicides in  
Higher Education Institutes

On 24th March 2025, The Honourable Supreme Court of India emphasized the urgent need to address mental health concerns among students in higher education institutions.

The Honourable Supreme Court of India constituted a National Task Force under the Chairpersonship of Justice (Retired) S. Ravindra Bhat. The Task Force includes experts from various domains.

Its mandate is to deliberate on student mental health issues, recommend preventive measures to reduce student suicides, and strengthen support systems across higher educational institutions.

## **Get Involved – Your Voice Matters**

Are you a student, a parent, a faculty member, a mental health service provider, or an institute representative passionate about shaping India's policies and frameworks regarding student mental health?

If yes, answer the appropriate survey below link
